

# SAIL AWAY SAILING SCHOOL, LLC

## British Virgin Islands 2019

### **Basic Cruising and Bareboat Chartering course: March 16–23, 2019**

Earn Basic Cruising (ASA 103), Bareboat Chartering (ASA 104), and your European boating license while enjoying a beautiful vacation in the British Virgin Islands (BVI). Our live-aboard yacht is a 46' Beneteau sloop (pictures above) with 4 cabins and 2 heads. Board our boat on Tortola, BVI.

We will sail each morning and anchor off a different island by early afternoon each day. There will be plenty of time during the week for snorkeling, swimming, and enjoying all the sights of this magnificent group of islands. We will learn navigation, boat systems, diesel engine checks, crew overboard techniques, emergency procedures, reefing, anchoring, sail trim, advanced knots, cooking underway, live-aboard skills and spend a half day on docking practice.

Upon successful completion of on-water skills and written exams, you will be certified to skipper your own charter yacht. Your ASA 104 certification also serves as a European Boat License, required in many countries to operate any boat with an engine. All are welcome on this cruise, though ASA 101 is the prerequisite for certifications.

**ITINERARY: Board 6PM March 16. Set sail after orientation next morning. We will anchor or moor off a different island each night, exploring 1–2 islands every day. Return to dock March 23 at noon and disembark.**

**Included: All breakfasts and lunches onboard, snorkeling gear, towels and linens.**
